About The Lourdes Center for Memory Care

Our Interdisciplinary Team works with each resident's family to develop an individualized plan for their loved one. All members of our team receive specialized training in working with individuals with memory loss, so they can be creative and adapt their services to a resident's life history, abilities and needs. The Lourdes Center reflects our many years of experience caring for individuals with memory impairment.

Our state-of-the-art center offers our residents individualized therapeutic programs, meaningful activities and the loving environment and hospitality at the heart of our mission.

About The Event

Compassion Amid the Confusion is a principal conference geared toward persons with early dementia, families, friends, and professionals. The conference is a collaboration among medical personnel and caregivers.

This collaboration has worked to create a day designed to inform, educate and support persons with dementia – and their families. Since 1987, leading presenters have come together at St. Patrick's Manor to ensure the most innovative conference in dementia care for over one-hundred participants, sponsors and exhibitors.
